NAPOLEON, MIGHTY WAR LORD --- **ALEXANDER THE GREAT**, WHO WEPT BECAUSE HE HAD ONLY ONE WORLD TO CONQUER --- **NERO**, CRUELEST OF THE ROMAN EMPERORS --- **ATTILA THE HUN**, WHO PUT HALF OF EUROPE TO THE TORCH AND SWORD --- **GENGHIS KHAN**, WHO PLUNDERED ASIA WITH HIS HORDE OF WILD TARTARS --- WHAT IF THESE DEMONS OF DESTRUCTION SHOULD RETURN TO LIFE TODAY, UNITED IN ONE FEROCIOUS BAND, TO LAUNCH A WHIRLWIND CAMPAIGN OF PILLAGE AND TERROR? --- THAT IS WHAT HAPPENS IN THIS AMAZING STORY -- AND THE **SEVEN SOLDIERS OF VICTORY** ARE PLUNGED INTO THE BATTLE OF THEIR LIVES, PITCHING FLASHING WITS AND SMASHING FISTS AGAINST FEARFUL ODDS TO THWART THE REBEL SCIENTIST WHO RAIDED THE CENTURIES FOR ---

"THE TYRANTS OF TIME"!

THE YEAR IS 333 B.C.--AND YOUNG ALEXANDER THE GREAT HURLS HIS MACEDONIAN CAVALRY AGAINST THE PERSIAN CITY OF TYRE---

JUPITER GRANT US VICTORY!

OUR CHIEFTAIN GOES TO TAKE COUNSEL WITH JUPITER!

SUDDENLY, A BOLT OF UNEARTHLY LIGHT STRIKES WITH THE SWIFTNESS OF LIGHTNING!

WHO DARES TREAT ALEXANDER, THUS?

63 A.D.--AND THE SAME RAY INTERRUPTS NERO, MOST HEARTLESS OF ROMAN EMPERORS, IN THE MIDST OF A RIDGE SOLD---

THE BEAM SWEEPS FORWARD FOUR CENTURIES TO SNATCH ATILLA THE HUN, SCOURGE OF CENTRAL EUROPE FROM THE DESPOILED PLAINS OF HUNGARY--

A HUNDRED MEN SHALL LOSE THEIR HEADS FOR THIS!

AND STABS OUT YET AGAIN IN 1214 A.D.--AS GENGIS KHAN AND HIS TARTARS LAY SIEGE TO THE CHINESE CITY OF PEKING--

STORM THE WALLS AND TAKE THE SWORD TO ALL WHO--WHY, BY THE BUDDHA, I AM RISING!

LASTLY, THE RAY DIPS INTO OCTOBER OF 1813, AS NAPOLEON RIDES AT THE HEAD OF HIS ARMY TOWARD THE DISASTROUS BATTLE OF LEIPZIG IN SAXONY--

HOW GENERAL! WHERE ARE YOU?

GIVE TYRANTS OUT OF THE TROUBLED PAST-- KIDNAPPED FROM THEIR GRIM LABORS TO FACE A SIXTH WHO WOULD BE A TYRANT--

WELCOME TO GLORY AND POWER BEYOND YOUR WILDEST DREAMS, GENTLEMEN! YOU ARE NOW ON LONG ISLAND IN NEW YORK! THIS IS 1942--AND I AM DR. DOOME!

YOU ARE A MADMAN TO DARE TO INTERRUPT MY CONQUEST OF THE WORLD!

MY IMPERIAL GUARD WILL DEAL WITH YOU!

NOT SO FAST, FRIENDS! LISTEN--YOU ARE THE GREATEST CONQUERORS IN HISTORY... AND I AM THE GREATEST SCIENTIST! THROUGH THAT MACHINE I CAN TRAVEL TO ANY POINT IN THE PAST--OR BRING ANY PERSON FROM THE PAST INTO THE PRESENT!

I HATE THE MEN OF TODAY! THEY LAUGHED AT ME! NOW I PROPOSE TO FORCE THEM TO PAY FOR ANOTHER MACHINE THAT WILL PROJECT US ALL INTO THE FUTURE, WHERE WE SHALL SEIZE POWER AND RULE AS KINGS!

INFIDEL, YOUR PLAN TICKLES MY FANCY-- BUT WHAT IF IT FAILS?

I'VE PROVIDED FOR THAT, GENGHIS--I SHALL GIVE EACH OF YOU A ROD LIKE THIS! BY MEANS OF IT YOU CAN RETURN TO THE VERY

INSTANT AT WHICH MY TIME BEAM SEIZED YOU!

I KNOW NOTHING OF SORCERY! BUT IF THERE IS FIGHTING TO BE DONE AND LOOT TO BE GAINED, MY SWORD IS READY!

THERE WILL BE MORE LOOT THAN ALL YOUR MUNS COULD CARRY!

FIRST I NEED MONEY! WITH IT, I WILL SEND EACH OF YOU TO BRING BACK FIVE OF THE RAREST METALS ON EARTH! THESE I NEED TO OPEN THE GATE TO THE FUTURE! CAN I COUNT ON YOU?

THEIR MINDS INFLAMED BY VISIONS OF VAST, NEW CONQUESTS, THE TYRANTS PLEDGE LOYALTY TO A RENEGADE SCIENTIST--!

JUPITER WILL BE WITH ME!

I WAS GETTING BORED WITH ROME, ANYWAY!

ONLY GIVE ME AN ARMY TO LEAD!

SUPER-VILLAINS FROM THE PAST, PLANNING TO DESPOIL THE PRESENT, SO THAT THEY MAY RULE THE FUTURE. WAS EVER A MORE DIABOLIC SCHEME CONCEIVED? AND NOW LET US TURN OUR ATTENTION BRIEFLY TO ANOTHER SCIENTIFIC EXPERIMENT CONDUCTED BY A PAIR WE HAVE MET BEFORE--!

OLIVER QUEEN AND HIS YOUNG PAL, ROY HARPER, TRY OUT A NEW TWO-WAY RADIO IN THE THROUGED CANYON OF WALL STREET.

STAY HERE, ROY, WHILE I TAKE A WALK TO MAKE SURE THE BUILDINGS DON'T INTERFERE WITH THE SHORT WAVES.

IT'LL COME IN HANDY WHEN WE'RE ON THE JOB AS THE **GREEN ARROW** AND **SPEEDY**!

I'M AROUND THE CORNER IN BROAD STREET, ROY! HOW'S THE RECEPTION?

CLEAR AS A BELL!

FARTHER DOWN THE STREET, MEN PAUSE TO STARE AT A FANTASTIC QUINTET STRIDING FROM THE DIRECTION OF THE RIVERFRONT...

I KNEW THE MARKET WAS DRIVING A LOT OF BROKERS CRAZY, BUT...

IT'S A PUBLICITY STUNT OF SOME SORT!

SUDDENLY, AS A PAIR OF BANK MESSENGERS DRAWS NEAR....

DEATH TO THE ENEMY!

NO MAN HAS EVER WITHSTOOD MY STEEL!

LET NATIONAL BANK

RECKLESSLY, A YOUTHFUL WITNESS PLUNGES INTO THE LIGHTNING BATTLE...

A HOLDUP OLIVER! A GANG OF MASQUERADERS!...

HUH? WHAT ARE YOU SAYING?

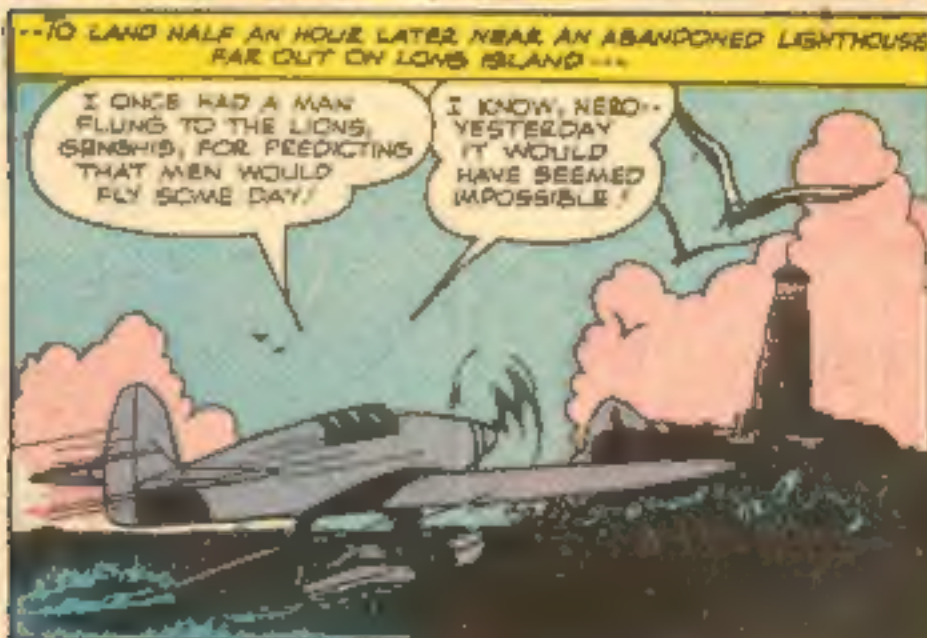

BACK, BOY, BEFORE I SMITE YOU WITH THE SHARP END OF MY SWORD!

WHY, YOU COMIC-OPERA CLOWN...!

AND MORE OF THE SOBSEY HE DOES NOT UNDERSTAND FASCINATES ATTILA THE HUN...

A BOX THAT TALKS! I SHALL KEEP THIS PRIZE FOR MYSELF!

ROY! WHAT'S HAPPENING? ANSWER ME!

A SECRET SIGNAL CRACKLES OVER THE AIR WAVES, SUMMONING SEVEN MIGHTY HEROES TO WAR AGAINST CRIME!

--AND IT MAY TAKE ALL OF US TO STOP THIS GANG! IF THEY'RE ACTUALLY TYRANTS FROM THE PAST, WHICH IS AMAZING, BUT NOT IMPOSSIBLE, OR!--

GADZOOKS--I COME FROM THE PAST, SO WHY NOT THEY?

AGAIN THE RADIO GIVES VOICE AS ATTILA'S BARBARIC CURIOSITY BETRAYS HIS COMRADES IN CONSPIRACY--

NOW, MY CONQUERORS, I SHALL SEND YOU FORTH TO SEIZE THE METALS THAT WILL MAKE US KINGS OF THE FUTURE!

THE RADIO IS LETTING US IN ON THEIR PLANS!

--NAPOLEON, A SHIPMENT OF GOLD IS AWAITING A TRAIN NEAR THE CANADIAN BORDER--I SHALL PROVIDE YOU WITH A SMALL ARMY!--

STRIPEY AND I WILL TACKLE NAPOLEON-- WE HAVE A SPECIAL BRIDGE AGAINST DICTATORS, PAST AND PRESENT!

--ALEXANDER, YOU SHALL GO TO THE FLORIDA EVERGLADES TO BRING BACK A QUANTITY OF RADIUM!

ARCHERS! THAT SOUNDS LIKE OUR JOB, SPEEDY!

--GENGHIS KHAN, PLATINUM IS SHIPPED FROM ALASKA--I HAVE MADE PLANS FOR YOU TO LEAD A RAID THERE!

BY MY SWORD, I SHOULD LIKE TO MEET THIS KHAN! WHERE IS ALASKA?

--NERO, YOU ARE TO CAPTURE A SHIP CARRYING A VALUABLE CARGO OF URANIUM!-- ATTILA, YOU WILL TAKE SOME OF YOUR HUNS TO SOUTH DAKOTA, WHERE TANTALUM IS PRODUCED!

I'D LIKE A SEA VOYAGE-- I WILL TAKE NERO!

THAT LEAVES ATTILA THE HUN FOR ME-- AND I KNOW EVERY INCH OF THE BLACK HILLS OF DAKOTA!

COYOTES ARE COYOTES WHETHER THEY COME FROM THE PAST, PRESENT OR FUTURE! I MOVE WE RUN DOWN THESE FIVE VARMINTS IN A HURRY, AND HOLD ANOTHER POW-WOW ABOUT THIS SIDEWINDER WHO CALLS HIMSELF DR. DOOM!

TERRIFYING
TYRANTS OF

GREAT
NAPOLEON
LEADS AN
UNDERWORLD
ARMY ON A
PLUNDER-
MARCH
PLANNED TO
SWERVE THE
COURSE OF

THE FUTURE... BUT THE LEGENDARY NIGHT OF THE
LITTLE CORTESAL HOLDS NO TERRORS FOR THOSE
VALIANT JARINERS IN PERIL, THE **STAR-
SPANGLED KID** AND **STRIPECY**, AS THEY
POCKET INTO THE HEART OF THE WILDERNESS
TO WATCH BRAINS AND BRAINS AGAINST GUNS
AND CUNNING STRATEGY! -- CHAPTER I --

"DEFEAT BEFORE WATERLOO!"

SYLVESTER MEMBERSHON DEPARTS FROM THE MOHEGGS PRETENTIOUS MANSION ON A HASTY EXPEDITION...

...AND ALL AT ONCE I REMEMBERED DAD, THAT NO BOTANIST EVER UNITED

MOSSER BAH! WHEN I WAS YOUR AGE, I HUNTED GRIZZLIES!

ALL THE MOSSERS OF THE NORTH-WOODS!

I'LL TAKE GOOD CARE OF HIM, KID!

AT THE EDGE OF THE CITY...

IF YOUR PA KNEW WE WERE HUNTING NAPOLEON, HE'D FEEL DIFFERENT 'EH, KID?

I DON'T KNOW, STRIPESY. FATHERS ARE DIBBY SOME-TIMES!

A FINGER TOUCHES A HIDDEN BUTTON... AND AS IF BY MAGIC, THE UNDISCOVERED FRAME ALTERS, TAKING ON THE BRILLIANT STREAM-LINES OF THE STAR-ROCKET-RACER!

HOP IN, KID--WE'RE GONNA HIT THE WICK GROVE!

I'M RIGHT WITH YOU!

AN AUTOSIRO PROPELLOR UNFOLDS FROM THE REAR DECK, AND...

THE PLACE WE WANT IS ALMOST DUE NORTH OF HERE!

AYE, AYE, SKIPPER--DUE NORTH IT IS!

SWIFTER THAN ANY PLANE, THE ROCKET-PROPELLED CRAFT STREAKS TOWARD ITS RENDEZVOUS WITH ADVENTURE!

THERE'S THE RAILROAD! ONLY A FEW MORE MILES TO THE STATION WHERE THE GOLD IS WAITING!

WONDER IF NAPOLEON AND HIS ARMY HAVE GOT THERE YET?

YOU KNOW, KID, WE GOT A LOT OF NERVE GOING AFTER THE GREATEST GENERAL IN HISTORY!

WHEN HE SETS OUT TO GET GOLD, HE'S JUST ANOTHER CROOK TO ME--AND WE'VE TACKLED CLEVER CROOKS BEFORE THIS!

AND NOW LET US TURN THE CLOCK BACKWARD AN HOUR, AND WATCH A BIG TRANSPORT PLANE PRONE OVER THE SAME COURSE...

ABOARD THE SHIP, NAPOLEON PEEVISHLY DISCIPLINES HIS "ARMY"...

REMEMBER, HAPPY--TIMES HAS CHANGED SINCE YOU WAS A BIG SHOT!

SILENCE FOOL! HOW DARE YOU ADDRESS NAPOLEON THUS!

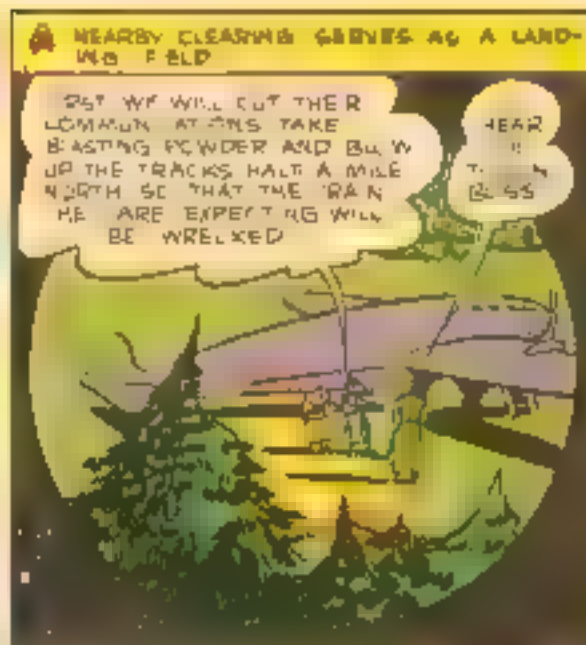

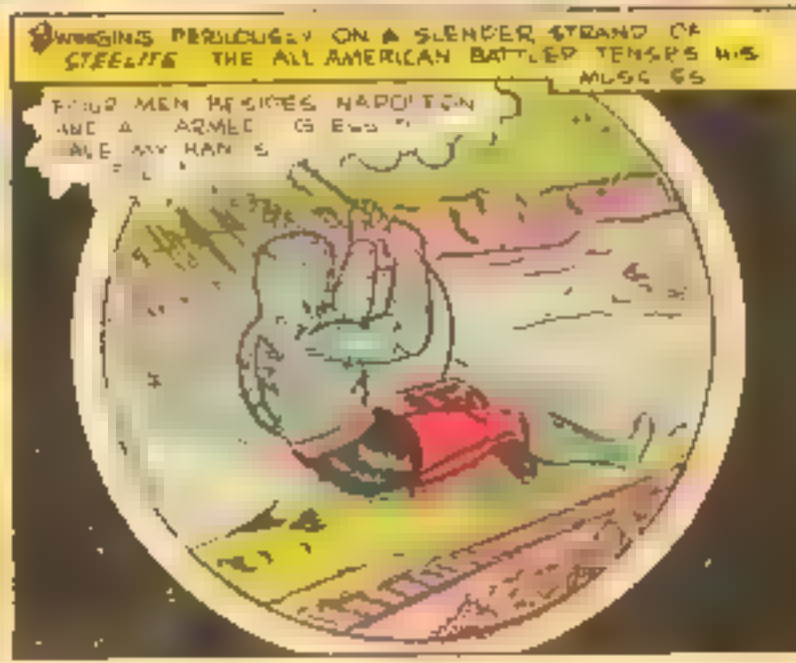

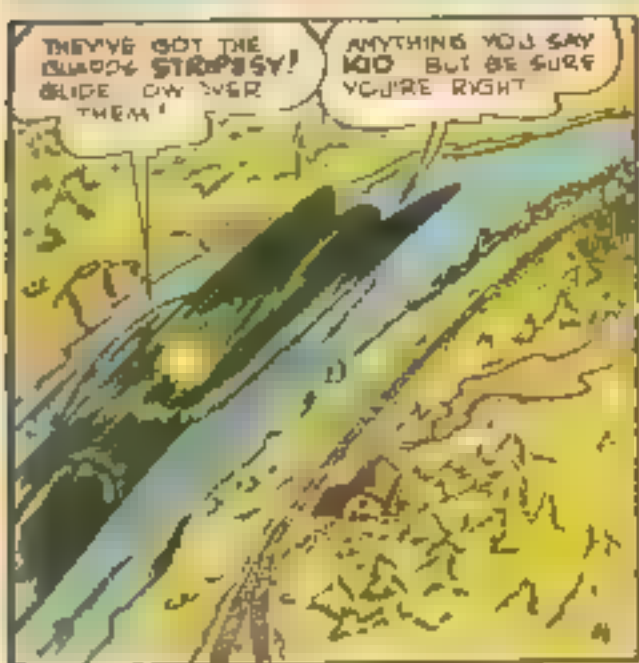

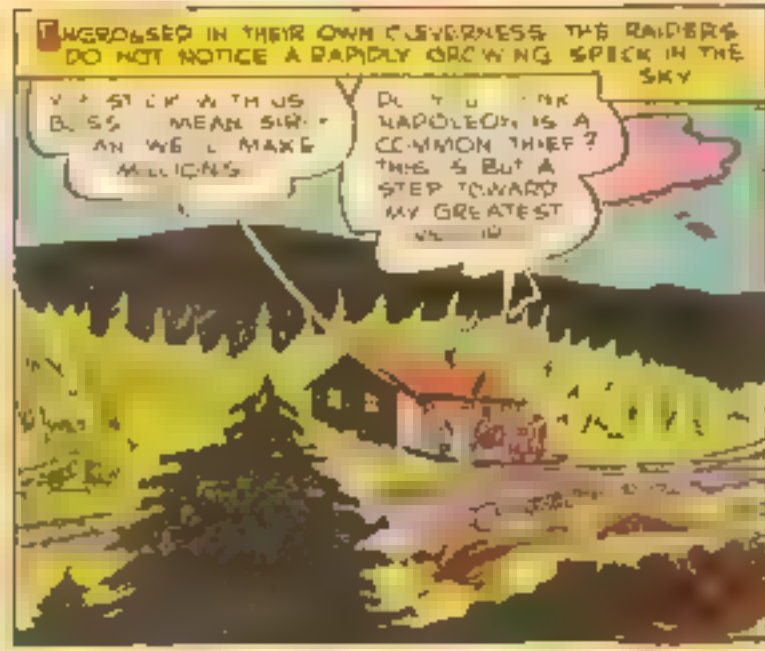

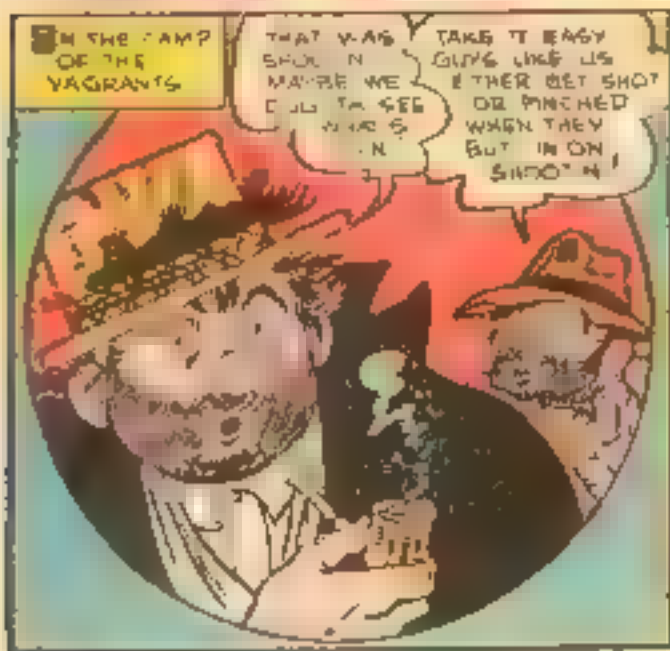

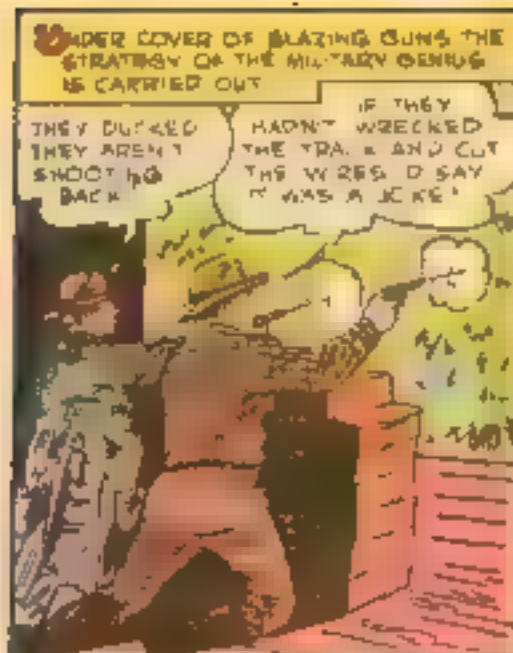

DISRESPECTFUL CURS! IF ONLY I WERE RIDING MY WHITE CHARGER AT THE HEAD OF MY IMPERIAL GUARDS!

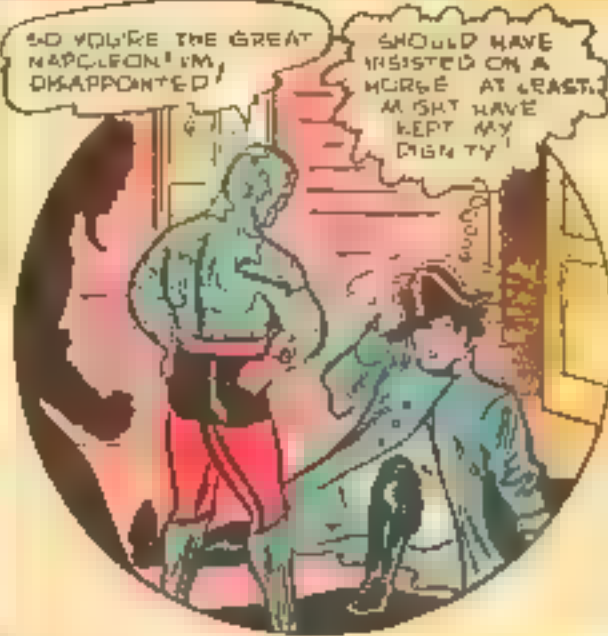

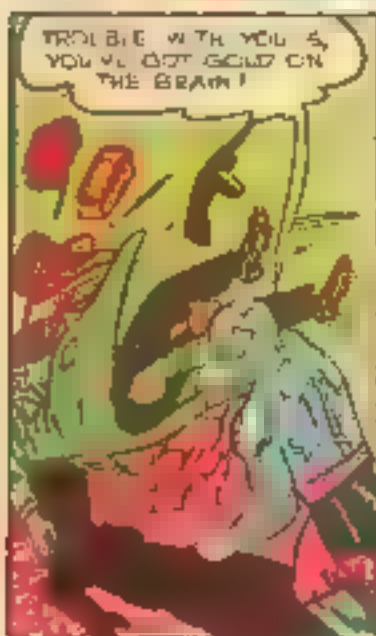

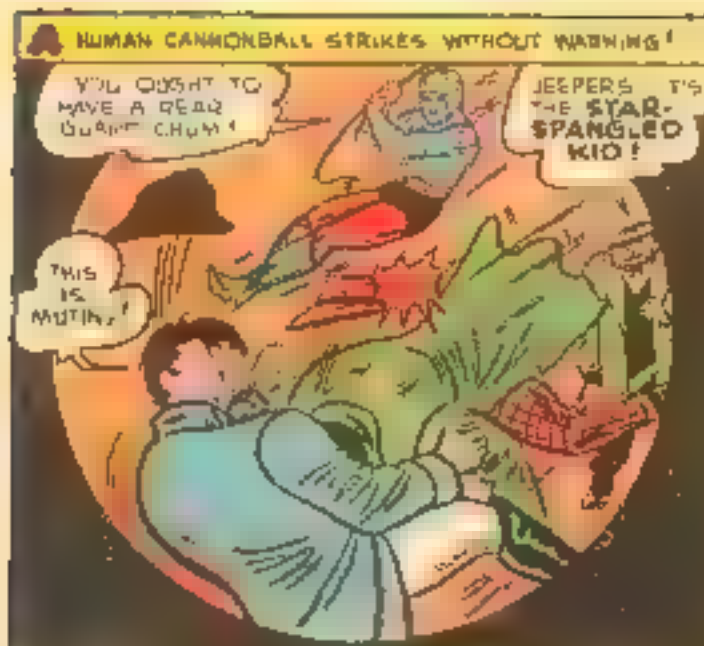

CRABBY LITTLE SQUAT, AIN'T HE?

BUT THEY SAY HE'S GOT BEANS!

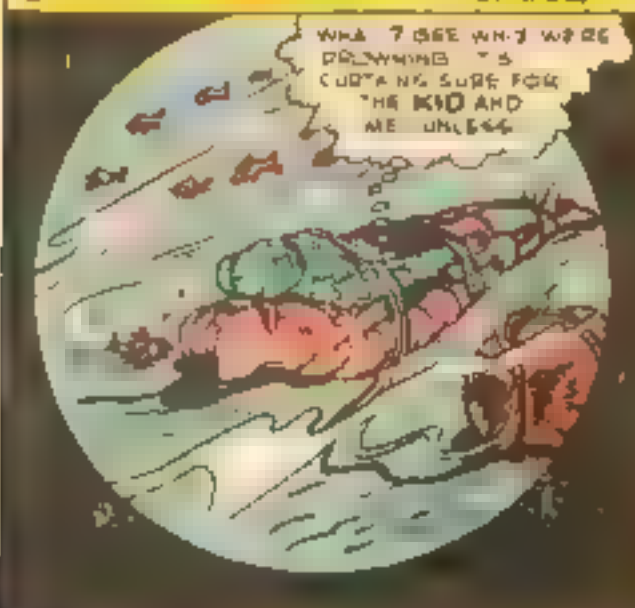

THE SHOCK OF COLD WATER REVIVES STRIPES

TRAINING AS THEY HAVE NEVER STRAINED BEFORE THE BIG FELLOW'S POWER TO LIFT WAS AIDED BY THE WATER'S IF FENCE HIM UPRIGHT

HIS LUNGS ACHING FOR OXY- GEN HE STUMBLES FORWARD AGAINST THE WATER PRESSURE, AIDED BY THE SLOW CURRENT

READER! MINUTES PASS AND IN THE HOBO JUNGLE THE DOWN-AT HEEL DUSTY DECIDES TO STRETCH HIS LEGS

AND NOT A MOMENT TOO SOON THE RES- CUE IS ACCOMPLISHED

BUT NOT EVEN HARDWORK'S HUNGER AND BASH HAVE ENTIRELY DRENCHED THE SPIRIT OF THE VAGABONDS

IT IS THAT THE PEOPLE OF A "BIG RESORT" ARE TREATED TO AS STRANGE A SIGHT AS THEY HAVE EVER SEEN.

WHO WILL FIGHT WITH NAPOLEON TO WIN THE EMPIRE OF THE FUTURE?

HE'S HERE AS A BOY.

IT'S BETTER DEEPER IN THE NIGHT.

AND AS THE STAR-SPANGLED KID AND STRIPES REACH THE VILLAGE IN THE COURSE OF THEIR SEARCH.

LOOK TO AIM AND IF NOSE AGENT HAS AN ASYLUM GUARD WITH A M KILL AND KILL ME FOR A JOY.

THEY HAVE LOST THE STRIPES FOR THE DECEIT WHICH DR DOOME PROMISED WOULD RETURN HIM TO THE PLANT IN THE PAST AT WHICH THE TIME RAY POUNDED HIM AND ABANDONED.

HE'S HERE NOW SOMEONE STRIPES VAN SHED BY SCOTCH IN O HOW HE'S MAN IN AGE TO GET AID BACK HIS OWN.

IMAGINE A HE BUY ES. HE'S HIND ESCAPED AND HIS PUNISHMENT WILL BE HE EATEN IN A LIP TO BY AND WATER LOO AND DR A PR WHICH THAT'S.

IN HIS DISTANT TOWER DR DOOME REHEATERS SCENES OF THE PAST WITH HIS AMAZING TIME MACHINE.

RICKETTS CHARGE AT GET TSBURG IT WAS QUITE A BATTLE.

SURE WE KNOW YOU'RE NAPOLEON WE'VE GOT FOUR OTHERS JUST LIKE YOU SO YOU WON'T BE LONE SOME.

THIS IS INSUFFERABLE SHAME BE TOWN TO MY SOLDIERS WHO KNOW HOW TO RESIST ME.

DR DOOME IS A RAYLADY FUTURE FLASHES AROUND THE GREEN.

BUT THE PLAN OF THE MAN NEEDN'T RUIN MY PLANS. I'LL SEND ONE OF THE OTHERS TO SEE IF THE PLAN NEEDS PERHAPS.

ALEXANDER THE GREAT AFTER HE HAS BROUGHT ME THE RADIUM FROM FLORIDA.

PRIVATE PETE

SMART ONE

He was smart this Red Duane. He always had an alibi, and when a crook has one that the law can't break, he's pretty sure to stay a free man. Not that Red Duane believed in perfect alibis, he wouldn't even think of one. Just give him an alibi that was his man and he managed to fool the cops.

That was Red, a smart guy and one who could see the human equation and recognize it. The money or the gun were doing ~~him~~ because they had power. ~~He~~ ~~was~~ ~~not~~ ~~that~~ ~~id~~ ~~in~~ ~~the~~ ~~of~~ ~~Red~~ ~~Dugan~~ ~~was~~ ~~going~~ ~~to~~ ~~do~~ ~~that~~ ~~He~~ ~~has~~ ~~found~~ ~~it~~ ~~easy~~ ~~that~~ ~~a~~ ~~perfect~~ ~~a~~ ~~bit~~ ~~was~~ ~~one~~ ~~the~~ ~~law~~ ~~a~~ ~~was~~ ~~looked~~ ~~upon~~ ~~with~~ ~~sus~~ ~~picion~~

So when he came into Hopeville, expecting to get a defense job, only to get his hands on the money the Willow Chase was noticing. He has nothing in his mind had a plan. And it wasn't the same.

He would not have wanted to be like a cowboy about crooks when they start out perfect like you were them and maybe they grow away with their first puts. I know when they begin to drink themselves smart like he got caught. Once again was he perfect babe. The angels came out at the angles of advance.

But on Red Dunes He got a job as a laborer at a road building company. Some of his gang mates, he spent looking with fellow workers the rest of day went to raising the Widow Chase's house.

Within three weeks, Red Duane knew a lot about her. He could tell you which he wouldn't that at night she liked to read. Her bedroom was

on the lower floor of a two-story white Colonial house in which also lived a gardener, handyman, and a maid. The Widow Chase read in bed, a place to which she repaired promptly every night at ten. Around eleven she put out the light, and she was always the last one to do so.

Red Duane knew this because he was on the night shift. He went to work at midnight, quit at eight. Between ten and eleven each evening, a week he had been hanging around a tree watching the Widow Chase through the scanty light afforded by the white Venetian blinds. There was a wall safe in her room, Red Duane at last found out.

Yes, the Widow had gotten careless at last. On this particular night she had forgotten to close the shutters and Red had seen her go to her safe. His body had trembled at sight of the fortune in jewels and he knew then that the underworld grapevine had told the truth. She was eccentric enough to keep the jewels in her house.

And eccentric as was the world for his old lady Red Dugan told himself. A dame like her deserved to use what she had as did anyone who didn't take proper precautions to safeguard their valuables.

On the following night with the heavens pouring rain Red Duane decided to strike. It was all very simple. He would put a raincoat over his work clothes, a simple black raincoat, put a Jimmy and a gun in his pocket and, when the old lady was asleep, he'd enter the house.

There was nothing to fear from the police in this town.

It wasn't big enough to afford more than three cops and a Chief.

In the pouring rain, Red Duane stood beside a giant oak tree that overlored the house, waited patiently. When he saw the old lady's light go out around eleven, then he gave her another hour to fall asleep. It was eleven thirty when he hooked the mask over his eyes and approached his prey.

The woman was crying. The old lady yep, with her open! No sense in running feet, Red Duane pronounced the old lady said. Her watery eyes caught her rhythmic breathing and Red Duane seemed sorry for himself. The gardener as he said wouldst even know what had happened until long after. By then, he would be safe at his lathe in the back-up shop. Red den in his own parlour at corner

But he would be a very rich man.

His persimmon hands stole out in the darkness. There was a startled gasp from a conservative shoulder as he was red and frightened. "I" dashed out kindly with her things. Red Dawn stepped as his her finger. "Come" to get with the work, catching herself his partly-blinded youngest.

His head was set on the
and his eyes were grater
Don't make sound or I

He asked me how I saw
the he [redacted] That was

Put in the [redacted] Red [redacted]
A [redacted] you want

He had to spring up from a crouching position and Red's eyes greeted satisfaction.

He was glad he hadn't started her more. Her red face seemed to him to be not a sign of high blood pressure.

At right now, at Red said "Open that wall safe." His gun was before he widened eyes. It was hot in the room, and the silvered light had a reflector that cast a glare.

But Red Duane wasn't worried about a light being seen. It was what he wanted. Persons passing wouldn't suspect a room wellighted. It was the moving of a flash light that would make them suspicious.

* * *

Red Duane gasped as he looked at the jeweler the old lady handed him. Her body trembled and yet her gaze was now calm and quiet as she watched him put them in his pocket impatiently. Time was getting short for Red.

"You're not going to kill me," the old lady quavered.

Red didn't answer. Instead, his arm shot out pronouncing the startled woman. In a moment she was securely trussed and gagged, and lying on the bed, her wide eyes watched Red Duane until he snapped off the glaring light and left the room in darkness.

It was ten minutes before she could move enough to knock the receiver from its phone cradle.

* * *

Ten minutes, and by then, Red Duane the jeweler hidden about his person was heading to the night watchman at the defense plant and moving toward his bench in the corridor.

He was smiling happily. No one had seen him, no one could suspect him. After a couple of more nights he'd be up! Well, not long enough so it won't look suspicious, he told himself. Then back to the Big Town and a woman who'd convert the jewels into cash.

Just like that. And Red Duane had grabbed it he needed

it. He was a man gone straight on; he had been working the night of the robbery. He had missed himself work. A half hour later Red Duane put the jewels up as a white shirt. He had a machine humming in him. As a by-product every machine in the place stood at the foreman's summons.

* * *

Red's blood froze as he saw the Chief and two officers with the foreman. It was pure reflex action, he tried to tell himself at instant. The sight of cops. They had nothing on him. He got up from his bench, walked toward the door with the rest of the men as the foreman's voice called.

Men, the foreman said. I want you all lined up. The Chief here is trying to work out an anti-robbery program. It will take only a few moments.

Red Duane sighed with relief. "Whew," he muttered to himself. "I sure was worried for a moment." Even his cheeks felt hot. He had been obedient. Obediently he lined up with the men.

The Chief stared from the door, looked each man over.

He stopped in front of Red Duane and suddenly Red saw in the Chief's face the presence of danger. It was very apparent as the cops behind the Chief suddenly drew their guns. "Put the cuffs on this bird," the Chief said. "We'll search him inside."

"Hey, cut that out!" Red started a struggle. "You've got nothing on me. Fingers of iron bit into his wrist. He screeched with pain and anger. He could never have reached his gun fast enough.

* * *

In two minutes he was in the foreman's office. They hadn't searched him yet. And, oddly, they didn't move to do so. The Chief was looking at him. Maybe you don't know it, buddy, he said, "but someone rubbed the Widow Chase

tonight, someone from this plan. His voice was low and deliberate. "Know how we figured it? He was in, not waiting for an answer. The Widow's fingers had grease on them when she struggled with the guy. It must have been on his coat. So we weren't sure, but we thought maybe one of the boys here had gotten greedy."

* * *

He grinned, enjoying the discomfort on Red Duane's face.

Red looked at him, said hoarsely, "It's a frame."

"Yeah!" The Chief's hands propelled Red Duane toward a mirror. "Look in there!"

* * *

Red Duane's reflection caused him to moan in his back. One of the policemen steadied the clock, whose eyes were drawn back as though by magnetic attraction to the strange face that stared at him.

What had happened to his face? It was red, red as fire—except where the mask had covered it. That was all white!

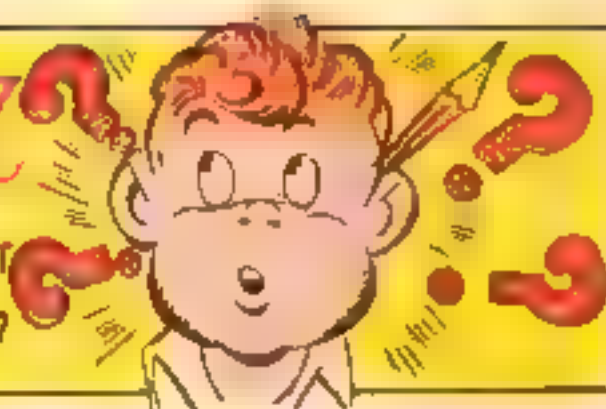

* * *

"You see," the Chief was explaining, and Red Duane was too far gone to hear him. "The Widow Chase did a smart thing. When the thief ordered her to turn on a light she did. On a lamp she uses to take her sunbathing treatments. And the thief never realized the Widow Chase was burning a brand on his face. Contemptuously he looked at the lowering Red Duane then spoke to his men. "Bring the smart guy along," he said. "The Widow can have her jewels back tomorrow!"
